VMware MIGRATION READINESS ASSESSMENT (MRA)

Maximize Savings in as Little as Two Weeks.

IO Connect Services evaluates your entire VMware implementation, its associated licensing, and its infrastructure to develop your on-premise VMware-to-cloud migration, modernization, and transformation readiness roadmap.

How We Can Transform Your Business

Seamless Migration Planning
Develop comprehensive understanding of current infrastructure.

Informed Decision-Making
Formal proposal with preliminary costs, time for migration, and ROI timeline by approach.

Aligned Technology Plan
Address business needs and data flows, and provide recommendations for security, reliability, cost containment, and seasonality.

Our Approach

Transform your infrastructure and escape VMware licensing lock-in

One-Day Workshop

- Understand business model and objectives
- Assess current infrastructure
- Gather licensing and billing information
- Perform data flow evaluation
- Deploy necessary tools for in-depth analysis

Two -Week Evaluation and Architecture Design

- Thorough evaluation of gathered data
- Formulation of a detailed architecture design
- Comprehensive understanding of current implementation

2 Week Turnaround   **43%** Savings in Year 1

DELIVERABLES

Migration Roadmap
Provide a step-by-step plan outlining the migration process and key milestones

Cost Analysis
Ensure understanding of current spend & licensing

Existing Architecture Documentation
Document current hardware deployment and VM sizing

Evaluation
Deliver a detailed breakdown of VMware bloat and sprawl identification

Recommendations
Identify where VMware on AWS, VMC, S3, DynamoDB, and more can improve performance, scalability, and uptime

Estimated Cost Savings
Deliver a detailed analysis of potential savings, helping you make informed decisions
